

2013 Enrollment Certificate

HAMPTON AVIATION

WPCI Code: HAMP-

WPCI Consortium Name: FAA

DOT Mode: FAA

This certifies that the company named above is enrolled in a DOT drug and alcohol Random Selection program controlled by WPCI. Random Pool Fees were paid for the calendar year 2012. Selections are either made at a maximum of Monthly or a minimum of Quarterly.

WPCI notifies the DER (Designated Employer Representative) of employees selected. DERs should notify selected employees (without advance warning) to proceed to a collection site. Company should reasonably spread tests throughout the selection period and randomly throughout the business day. DERs should add new employees to the WPCI random list before performing any Safety Sensitive duties and must remove them when terminated.

Dear Ms. Caldwell:

The Federal Aviation Administration's (FAA) Drug Abatement Division has received your request for an Antidrug and Alcohol Misuse Program Registration. Your Drug and Alcohol program registration number is **CONN767B** which is also located at the bottom of your Program Registration. Please use your assigned number in any correspondence regarding your Antidrug and Alcohol Misuse Prevention Program.

We have enclosed a copy of your Program Registration. If you have any questions, please contact this office at (202) 267-8442.

In our continuing effort to improve the quality of service to our customers, Office of Aerospace Medicine (AAM) would appreciate any comments you may have on our registration process and how to improve it. Your participation in meeting our goals for continuous improvement is greatly appreciated. Please provide your comments at:
